

SIEN 2017- CALL FOR PAPERS

**1st-4th October 2017
Bucharest, Romania
Intercontinental Hotel**

“Nuclear Energy – Safe and Reliable Partner of Our Future”

SIEN 2017 is organized by the Romanian Association “Nuclear Energy” - AREN in partnership with the Romanian Atomic Forum – ROMATOM and with the involvement of Women in Nuclear Romania-WiN Ro. The symposium is organized under the auspices of the European Nuclear Society.

SIEN 2017 is intended as a forum of discussions between experts, professionals and representatives of the organizations active in the nuclear field. The topics of the symposium are related to challenges and opportunities in maintaining the existing and developing of the new nuclear activities. In addition, a special focus will be on presentations and discussions related to nuclear fuel cycle activities, recent R&D in nuclear, as well as the way nuclear support future societal needs.

KEY TOPICS

- Policies, strategies and new projects proving the benefits of nuclear energy
- Responding to the newest standards and requirements
- Cost estimation and mechanisms for financing major nuclear activities
- Peer review and international information exchange
- NPP Life management and extension
- Improved nuclear safety and emergency response management after Fukushima
- Environmental and radiological protection
- Safe spent fuel and radioactive waste management and decommissioning
- R&D supporting current projects or society development needs
- Education, training, knowledge management and challenging management of human resources
- Public communication and stakeholder involvement
